

Name: Greg Gamm – Lifetime member.

Profile Date: February 2024

Born: September 30, 1966 in Port Colborne, Ontario

Voted in to the WCMC 1991

First Bike : Honda 50cc, when I was four years old.

Current Bikes: CRF 450

Bikes owned: I have had too many bikes to list and am proud to say they were all quality JAPANESE, except for the Montessa (still, not a Harley). Fifty years of broken bones and lost skin to the sport of motorcycling. THAT I LOVE!

Honda 50cc

I joined the WCMC because I was already racing and drinking at the club, beer was cheaper for the members –lol. Seemed like a good reason to join.

In 1971, I watched the movie "On Any Sunday" and realized I had the need for speed.

80cc Yamaha

My 80cc Yamaha was my second bike and I did a lot of trail riding with my older brother Ron

My TY 80cc Yamaha Trials bike started me on a path to developing my skills as a Trials Rider.
