380 Suzuki

I joined the club for the camaraderie and the love of Motorcycles.

I spent 11 years with the Canadian Airborne, Parachute outfit. I joined in 1970. I did 64 jumps. The last one went bad and I had a 75 foot drop and was dragged a mile by my chute. Once I healed, I then became a Provincial Jail Guard in Winnipeg, then studied and became a Probation Officer before taking early retirement.

I enjoy participating in the many Events the club provides and meeting fellow riders with the same interests.
